Mini-Grant Information Request

Please be mindful of word counts requested within the Submittable form. The NDSGC carefully considers word counts for each application and believes the required word counts provide an amount of information necessary to both understand an application's purpose and justify NDSGC funding. Any responses that do not meet the minimum word counts will not be reviewed and the application will not be eligible for funding.

Your proposal's name/title: (required)

If awarded, this will be the name of your proposal that we share in our annual NASA reporting. This is not your name.

Elevator Pitch: What are you requesting for your mini-grant?

(required)

Limit: 75 words

Briefly describe the overall proposal/project. (Example: I am requesting a classroom set of Sphero robots and associated materials to complete a grade-wide challenge related to technology and coding. Students will compete in team-based challenges related to Mars exploration and other STEM topics.)

Please select the option that best describes your proposition:

(required)

- My proposal is requesting BRAND NEW programming or materials
- My proposal is hoping to fund materials for an EXISTING program.
