Fellowship Bridge Program

Your first and last name: (required)

[ ]

Are you a U.S. citizen? (Required for Space Grant funding)

( ) Yes

( ) No

What is the US CITY where you were born or naturalized? (required)

[ ]

What is the US STATE where you were born or naturalized? (required)

[ ]

Are you in good academic standing?

( ) Yes

( ) No

You will be asked to upload a transcript to justify this answer.

Do you receive any forms of funding for the research you are proposing? (required)

○ Yes

◉ No

Do you have a full or 1/2 time GSA/GRA appointment? (required)

○ Yes

◉ No

If awarded this fellowship, will you be enrolled in at least one credit (the same semester)? (required)

○ Yes, I will be enrolled in at least 1 credit

○ No, I am a student but not enrolled in credits

○ I am not a student and will not be enrolled in credits

What term would you like to complete a research fellowship? (required)

○ Fall 2024

○ Spring 2025

○ Summer 2025

Email: (required)

email@example.com

After I graduate, I can be reached at this email address: (required)

email@example.com

Cell Phone: (required)

🇺🇸 ⌄

Current Address (required)

Permanent Address (If same as above, write "same"): (required)

Date of Birth: (required)

📅

Gender Identity (required)

○ Woman

○ Man

○ Trans

○ Non-binary

○ Gender Expansive

○ Other

○ Prefer not to disclose

Used for NASA reporting purposes

How do you identify yourself? (required)

☐ Alaskan Native

☐ American Indian or Native American

☐ Asian

☐ Black or African American

☐ Hispanic or Latinx or Spanish Origin

☐ Middle Eastern or North African

☐ Multiracial American

☐ Native Hawaiian or Other Pacific Islander

☐ White

☐ Other

☐ Prefer not to disclose

Used for NASA reporting purposes

Can we provide you with ADA accommodations? (required)

○ Yes

○ No

ADA: Americans with Disabilities Act

Student ID Number: (required)

[ ]

College/University you currently attend: (required)

Select... ⌄

Please select your current degree program: (required)

◯ Undergraduate student - Associates Degree

◯ Undergraduate student - Bachelors Degree

◯ Graduate student - Masters

◯ Graduate student - Doctorate

◯ I'm enrolled in a dual program: (4+1 programs; pursuing Masters)

◯ I'm enrolled in a dual program: (4+1 programs; pursuing Doctorate)

Did you just graduate but are enrolled in a NDSGC Affiliate School? Please select the program you will be pursuing next.

Current GPA: (required)

[ ]

Your major/program of study: (required)

[ ]

Expected Graduation Date: (required)

Select... ⌄

Your highest degree goal (required)

○ Bachelors

○ Masters

○ Doctorate

○ Other

Have you received any Space Grant funding in the past? (required)

○ Yes, I've received Space Grant funding

○ No, I have never received Space Grant funding

Faculty Advisor Name (required)

[   ]

Faculty Advisor Email (required)

[email@example.com   ]

Proposed Research

Any responses that do not meet the minimum word counts will not be reviewed, and the application will not be eligible for funding.

Which fellowship program are you applying for? (required)

◉ Fellowship Bridge Program

Please title your research project: (required)

Limit: 300 characters

(This title can change)

Elevator Pitch: If you had one minute to describe your research goals, what would you say? (required)

Limit: 100 words

Minimum 50 words; maximum 100 words

Please describe the background and scientific merit of your project. (required)

Limit: 350 words

Minimum 150 words; maximum 350 words. Consider your audience to be familiar with your field but not subject matter experts.
- Discuss in detail the background of your research topic.
- Why is it important that you pursue this research?
- What are your expected results and/or research goals?
- Citations can shared in the following section.

Citation list for response:

If citations were used, please reference them here.

Please describe your research methodology and anticipated timeline: (required)

```
```

Limit: 350 words

Minimum 100 words; maximum 350 words.
- What specific tasks are you going to complete in conducting your research?
- What exact methods will you utilize to conduct your research?
- What are the significant milestones/timeframes?

NASA-Relevance: Describe how your proposed research is directly relevant to the priorities of one of NASA's 5 directorates: Aeronautics, Exploration Systems, Science, Space Operations, and/or Space Technology (required)

```
```

Limit: 350 words

150 - 350 words.
Please elaborate on why your research should be funded by the NDSGC and how it is relevant to at least one of the following NASA Mission Directorates (https://www.nasa.gov/directorates/ (https://www.nasa.gov/directorates/)). *Cite specific alignment to elements from at least one of the following*:
- Aeronautics (https://www.nasa.gov/directorates/armd/)
- Exploration Systems (https://www.nasa.gov/exploration-systems-development-mission-directorate/)
- Science (https://science.nasa.gov/)
- Space Operations (https://www.nasa.gov/directorates/space-operations/)
- Space Technology (https://www.nasa.gov/space-technology-mission-directorate/)
- Citations can shared in the following section.

Citation list for response:

[text input field]

If citations were used, please reference them here.

Please describe your academic and career goals and share how completing a NDSGC Bridge Fellowship will help you achieve these goals (required)

[text input field]

Limit: 200 words

75-200 words.
- Include immediate *and* long-term goals.
- Include academic and career goals
- How will completing an NDSGC research fellowship (and this proposed project, specifically) help you to achieve these goals?

Uploads

Will the person writing your letter of recommendation directly oversee your research?

◉ Yes, my recommender will directly oversee my research

○ No, my recommender will not directly oversee my research

How would you like to submit your Letter of Recommendation?
(required)

○ I will use Submittable to send them a request and an upload link.

○ The recommender will email the letter to the NDSGC team

○ Other

Submittable LOR

This Submittable form can send an email to your recommender and ask them to upload a letter of recommendation (LOR). You will not be able to read the LOR. Please email your recommender separately to this form and tell them you are applying for a fellowship and asking them for their recommendation. Please ask them to check their spam boxes, to make sure they receive the request.

Name of your recommender: (required)

[   ]

The department of your recommender: (required)

[   ]

Recommender's Current Title/Position: (required)

[   ]

Example: Professor, Teaching Assistant, Postdoc, Flight Instructor, etc.

Email Address of Recommender (this is the request): (required)

Reference Email Address (required)

[email@example.com   ]

Enter the email address of the person you'd like to serve as a reference.

Add Personal Message (optional)

Upload your current resume here (max 2 pages): (required)

Choose File

Upload a file. No files have been attached yet.

Acceptable file types: .pdf, .doc, .docx, .rtf

Resumes must not exceed two pages.

Please upload your unofficial transcript (required)

Choose File

Upload a file. No files have been attached yet.

Acceptable file types: .pdf, .doc, .docx, .rtf

this can be downloaded from your Campus Connection (or similar student portal)

Additional unofficial transcripts (optional)

Choose File

Upload a file. No files have been attached yet.

Acceptable file types: .pdf

If you are in the first semester of your program and do not have current grades posted, please upload a transcript of your previous degree program.

How did you hear about the ND Space Grant Fellowship Bridge program?

Would you like to join the student listserv for ND Space Grant funding opportunities? (required)

○   Yes, add me to the listserv. I can always unsubscribe.

○   No, I am not interested at this time.
