

# Robotics

Jamestown High School

Montpelier Public High School

James Valley Robotics Association

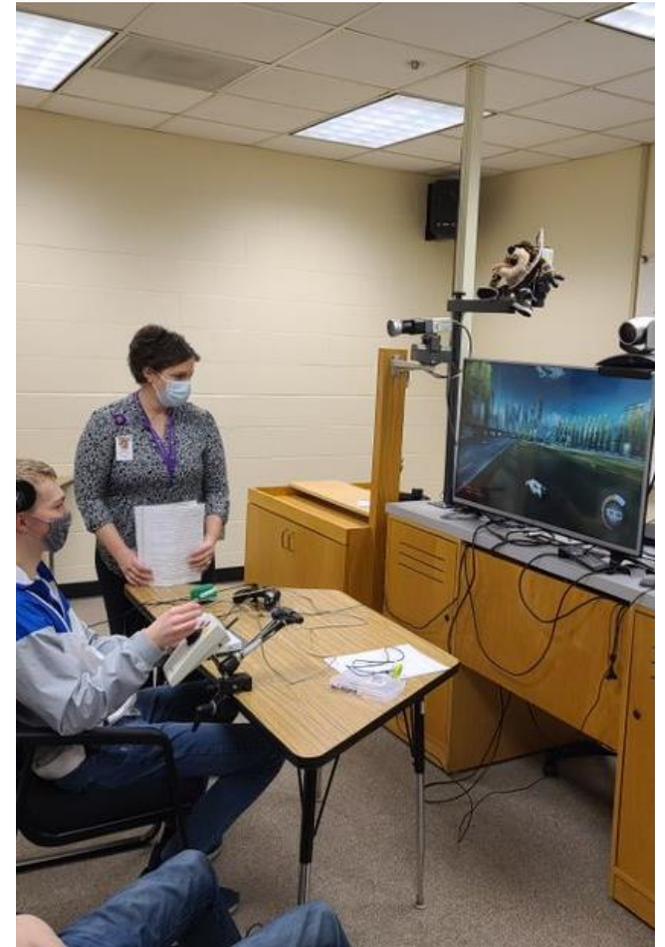

# Diversity

- The mission of Jamestown High School STEAM programs and FIRST Robotics team is to create diversity on as many levels as possible in our STEAM programs for students
  - Maker Space, Service Learning, FIRST Robotics, Mathematical Thinking

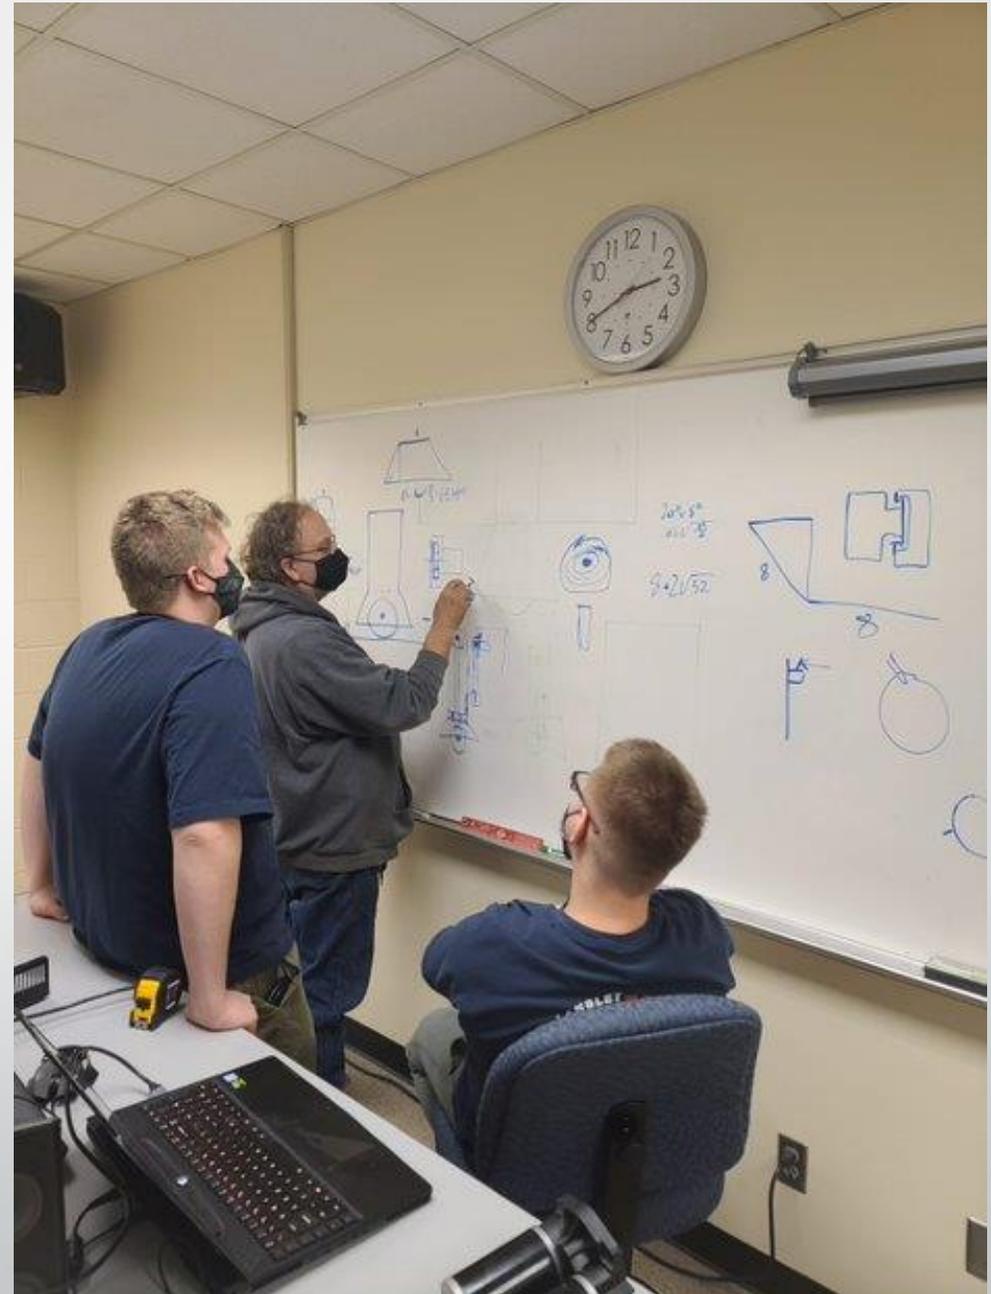

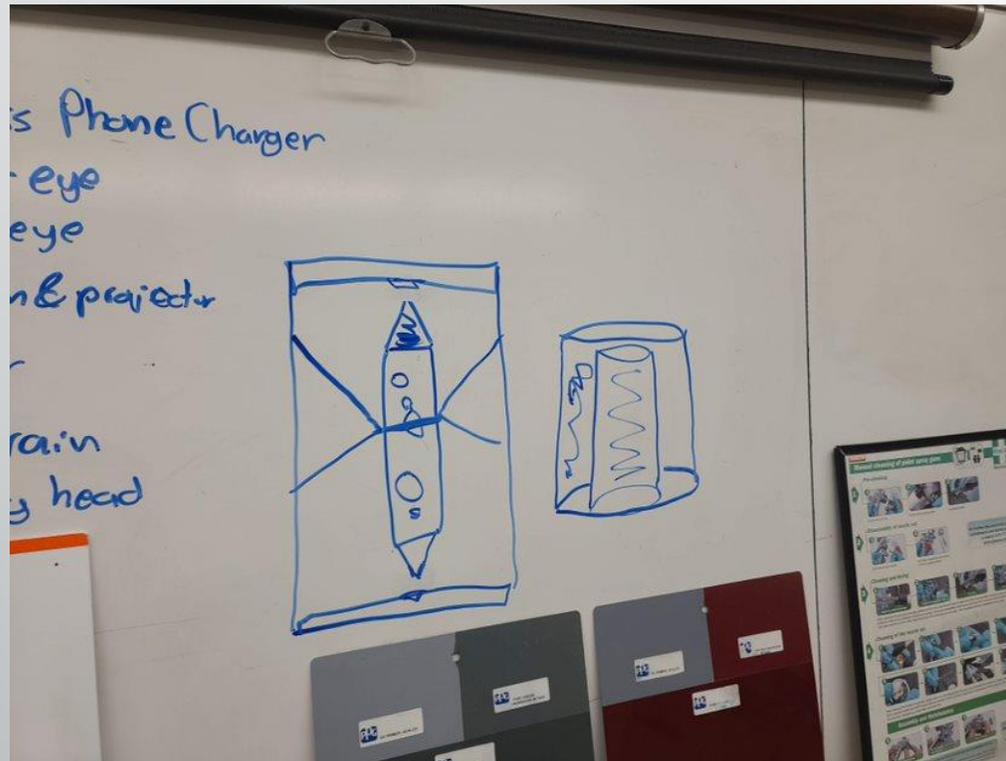

# Teamwork

- **Helping the Community**

# Planning

Newest plans

# One of the Robots

• Learning new skills

Still chill when There's not jobs to do

Some fun side projects!!!

High energy  
environment

# James Valley Robotics Association

- My work with FRC and JHS has encouraged myself and several other STEAM supporters in the community
  - JREC, JHS, MPHS, JVCTC, ACC
